

INTERNATIONAL COMMITTEE OF SLAVONIC SCHOLARS
Terminology Commission

Kyiv, 02.09.2013

Program
Terminology Commission under International Committee of Slavonic Scholars
2013-2018

General Information

Research cognition, global scientific thought, complex terminological view require understanding not only meta-language in various branches of knowledge, but also scientific heritage of Slavonic terminologists. Considering multiparadigmatic character of modern terminological research (the end of the XX – the beginning of the XXI century) combining traditional and new approaches to the term-study, it is necessary to consolidate the efforts of scholars on study of: 1) the basic paradigmatic, aspectual, cross-paradigmatic, cross-aspectual and cross-disciplinary research directions in theoretical term-study and its methodological foundations in Slavonic countries; 2) the main trends in the development of Slavonic terminography and evolving of terminography forecasting; 3) the main directions of terminological work of leading Slavonic terminologists and terminological organizations; 4) the main directions of terminology teaching, development of professional linguodidactics and training of terminologists in various countries.

Tasks

1. Consolidation of Slavonic terminology scholars for sharing the experience in term-study and inventoryzation / systematization of:
 - a) personalia in Slavonic term-study;
 - b) fundamental theoretical works on term-study (monographs, theses);
 - c) general scientific and specialized dictionaries;
 - g) terminology organizations and schools;
 - d) terminological special courses, textbooks, tutorials;
 - e) terminology conferences, symposia, seminars in various Slavonic countries.
2. Development of common Slavonic terminology space for establishment of term corpora (see paragraph 1, a-e).
3. Cooperation with the terminology organizations in various countries, participation in research conferences, symposia, seminars, round tables on term-study and study of scholars' heritage.

Projects

1. Opening of the section "Slavonic Terminology" in the international edited volume "Terminologichny Visnyk" (Terminology Bulletin) and "Ukrainska Terminologiya i Suchasnist" (Ukrainian Terminology and Contemporarity).
2. Writing the collective theoretical work "Slavonic Terminology at the End of the XX – the Beginning of the XXI Century".
3. Creation of Web Portal on Slavonic terminology in several languages (at the first stage, creation of web page of Terminology Commission under International Committee of Slavonic Scholars).
4. Meetings of Terminology Commission.
5. Terminology conferences in 2015 and 2017.
6. Preparation of section meeting / round table on Slavonic term-study for the next congress of Slavonic scholars.

Chairman of
Terminology Commission
Doctor of Philology

Victoria Ivashchenko
